## Rhaglen Braenaru Gweithredu Cymunedol ar Newid Hinsawdd

Mae'r rhaglen Braenaru yn gynllun newydd i gefnogi gweithredu cymunedol ar newid hinsawdd. Mae yn rhaglen dwy flynedd, wedi ei ariannu gan Lywodraeth Cynulliad Cymru ac yn cael ei reoli gan yr elusen amgylcheddol Asiantaeth Ynni Hafren Gwy (SWEA - Severn Wye Energy Agency).

Mae'r Swyddogion Braenaru bellach yn gweithio trwy chwech Rhanbarth gwahannol yng Nghymru. Bydd y swyddogion braenaru yn:

- Annog a chefnogi grwpiau / sefydliadau cymunedol i weithredu ar newid hinsawdd. Bydd hyn yn digwydd trwy gynghori, cyfeirio, a chynorthwyo cymunedau i rannu syniadau ac arferion da.
- Adnabod gweithredu ar newid hinsawdd a datblygu cynladwy mewn cymunedau sydd yn digwydd ar hyn o bryd yn ogystal a'r potensial ar gyfer gweithredu yn y dyfodol, fel y gall eu gwaith gael ei rannu gyda eraill trwy Gymru.
- Casglu tystiolaeth o beth sy'n gweithio pan mae cymunedau yn arwain ar weithredu newid hinsawdd. Bydd hyn yn canolbwyntio'n arbennig ar leihau ol troed carbon trwy newid ymddygiad yn y meysydd teithio, ynni, bwyd ac arbed dwr.

Yn ogystal a chefnogi grwpiau trwy Gymru, rydym yn anelu i adnabod 18 cymuned sy'n awyddus i gymeryd rhan mewn prosiect ymchwil trwy Rhaglen Braenaru. Bydd rhain yn cydweithio gyda'r Swyddogion er mwyn datblygu mentrau newid hinsawdd presennol neu greu rhai newydd sbon.

### Cysylltu a Swyddog Braenaru

Ar gychwyn y rhaglen yma rydym yn awyddus i ddod i gysylltiad a chymaint a phosib o grwpiau a sefydliadau. Does dim rhaid i chi fod yn weithgar gyda newid hinsawdd i gymeryd rhan – os oes gennych ddiddordeb mewn datblygu prosiect cymunedol yn eich ardal rydym am glywed gennych!

Gallwch gysylltu a'ch swyddog lleol chi drwy'r manylion isod. Mae mwy o wybodaeth ar y rhaglen ar [www.swea.co.uk/proj\\_pathfinder.shtml](http://www.swea.co.uk/proj_pathfinder.shtml).

## Pathfinder Programme Community Action for Climate Change

Pathfinder is a new programme to support community action on climate change. Pathfinder is a two year programme, funded by the Welsh Assembly Government and managed by the environmental charity Severn Wye Energy Agency (SWEA).

Six Pathfinder Officers are now in post, each covering different areas of Wales. The Pathfinder officers will:

- Support and encourage community groups / organisations to take action on climate change. This will be done through advice, sign posting and helping share ideas and good practice.
- Identify ongoing and potential climate action and sustainable development work carried out by communities, so that their work is shared with others in Wales.
- Gather evidence of what works when communities lead on climate action. This will be focussed on lowering community carbon footprints by changing behaviour around transport, energy, water saving and food.

As well as providing support for groups across Wales, we are looking to find 18 communities across Wales, who will take part in a research project through the programme. These will work together with the Pathfinder Officers to build on existing climate change initiatives or develop new ones.

### Making contact with a Pathfinder Officer

At this initial stage of the Pathfinder programme, we would like to get in touch with as many groups / organisations as possible. You don't have to be active on climate change to be involved – as long as you are interested in developing community projects in this area we want to hear from you!

You can contact your local Pathfinder Officer covering your area on details below. More information on the programme is on [www.swea.co.uk/proj\\_pathfinder.shtml](http://www.swea.co.uk/proj_pathfinder.shtml).
