Opening hours

Sweet shop 9.00am to 5.00pm

Nursery shop 10.00am to 2.30pm

Monday - Saturday

(telephone on Saturday to check opening hours on that day)

The **Community Sweet Shop** in Ferndale recently achieved the Investors In People Standard - the shop is entirely run by volunteers!

Its aim is to help local community members with work experience, training and confidence building. The Community Sweet Shop is a not for profit registered company: all profits are given to local community projects.

The **Community Nursery Shop** sells nearly new clothes for babies and children up to 7 years old. The shop also sells prams, accessories and soft toys.

The clothes are laundered, ironed and presented beautifully for re-sale.

The Nursery Shop is also on the High Street Ferndale.

'This place is wonderful for children and adults alike, the shop is clean, inviting and has just been awarded 5 stars in the Food Hygiene Rating Scheme, it is also a great place to gain valuable experience in the retail trade, as this shop is run solely by volunteers and all profits go back into the community. The shop contains most of the childhood sweets you can remember and also some new favourites. The ice cream parlor adds that little bit of something else in the summer months and doubles up as a tea and coffee house in the winter (but you can still have ice cream much to my daughters delight).' Community Member, Tania Harrison
